

FINE MESH STRAINER WITH HANDLE

SPECIFICATION

- Color: Silver, Dark Brown
- Size: 3.7"L, 14 cm dia.
- Weight: 0.4 lb / 0.2 kg
- Material: Stainless Steel
- Country of Origin: Taiwan

Unit: inch

FEATURES

- Stainless steel fine mesh round strainers are perfect for sifting, straining, and rinsing wet or dry ingredients.
- The fine mesh strainers are made of food-grade 304 stainless steel and won't rust, scratch or bend.
- The end handle of the mesh drainer can be hung on the wall-hook for easy access to free up more space in your kitchen cabinets and drawers.
- With convenient hanging ears, it can easily rest the fine mesh strainers on any pot, pan, or cup to avoid slipping for stability.

NOTES

1. Simply put in the dishwasher or rinse under running water and dry for easy cleaning.
2. A bristle brush or an old, sterilized toothbrush is good enough to remove any debris stuck in the mesh.
3. Please hang the strainer and keep it air dry when not in use.
4. Periodically check the status of the product to ensure long-lasting and safe use.
