

NOODLE STRAINER BASKET WITH HANDLE

SPECIFICATION

- Size: 14 cm dia; L37 cm
- Material: Basket- stainless steel 304
- Color: Silver, Dark Brown

FEATURES

- The mesh strainer is made from food grade stainless steel, featuring guaranteed quality and durable construction.
- Deep, open mesh strainer allows for quick draining and securely holding foods while transferring them.
- With dual hooks design on the handle, stainless steel strainer can be suspended inside a pot during cooking or stored away while not in use.

NOTES

1. Please do not put this strainer into any dishwasher or dish dryer machine.
2. Please hang the strainer and keep it air dry when not in use.
3. Soak the strainer in the warm, soapy water to loosen any residue and hold the strainer upside-down while washing it under the running water.
4. A bristle brush or an old, sterilized toothbrush is good enough to remove any debris that is stuck in the mesh.
