

WIRE YARD SIGN STAKE

SPECIFICATION

- Size 28001: 24-7/16" L x 8" W
- Size 28003: 26-3/8" L x 8" W
- Material: Steel -Surface: Rustproof Oil

FEATURES

- The lawn sign stakes are constructed of sturdy wire for garden and outdoors. Our yard sign stake fits most standard corrugated cardboard.
- If you need corrugated cardboards, just contact us and we will arrange for you.
- The bottom rung of the H frame increases stability and may be used to assist when inserting the stake into the ground.
- No tools required for inserting this wire sign stake. The H frame design makes the insert into the ground easy and simple.
